Wendy Morse

Michael Morse

Robyn Morse O'Keefe

Wendy, the only child to Margaret Morse, accompanied Margaret to Israel for their first time in 1980. This visit turned into a passionate love for the country which led to the founding of Margaret Morse Tours. With over 30 years of experience, Wendy began running the company in the 1990s. Following in Margaret's footsteps, Wendy continues the journey through Israel. Unique to the business to have ownership travel with the groups, you can find Wendy on many of our tours. Wendy will be there to share her stories, get to know you and if you do not know how to dance, we guarantee she will teach you! Wendy works closely with her son, Michael and daughter, Robyn to "guarantee the best of the best!"

Michael, the only grandson to Margaret, son of Wendy, began his involvement at an early age. Michael celebrated his Bar Mitzvah on the first Bar/Bat Mitzvah Margaret Morse Tour with his family by his side. Inheriting the love, passion and zest for Israel, Michael lived and spent a semester of High School in Israel. In 1996, Michael joined the multi-generational business. Introducing the fourth generation, you can meet Michael, his wife and 3 sons on one of our Family Tours. You can be sure when you call the office; you will hear Michael's enthusiastic voice answer all of your questions. Without a doubt or hint of hesitation, Michael will promise you; a Margaret Morse Tour will be the best experience of your life.

Robyn, the only granddaughter to Margaret, daughter of Wendy, began traveling to Israel with her mother and grandmother at the age of 10 to celebrate Michael's Bar Mitzvah. Following in the footsteps of her family, she too spent a semester in Israel and returned in college to study at Tel Aviv University. In 1996, Robyn also joined the family business. Robyn, alongside her husband and 2 daughters can be spotted on our Family Tours. The Morse family continues to add generations to this family business. Robyn expresses, "Our business isn't just a business, its run from the heart." This is epitomized through Robyn's willingness and eagerness to go above and beyond to meet any requests of our travelers to enhance the perfect experience.
