"We just returned from the most incredible trip to Israel and I cannot begin to thank you enough for the experience of a lifetime. Each day was planned to perfection and just when we thought the trip could not get better, it did! The itinerary was a perfect balance of learning, experiencing and having fun and the surprises kept everyone on their toes. We made wonderful friends and together experienced a trip we will never forget."

"It was such a great added benefit to have counselors on the trip with us. They were both fantastic and kept both the adults and children entertained. They made a conscious effort to make sure all of the kids were included and having fun and allowed the adults to get to know one another."

"And I cannot say enough about our guide, he was simply outstanding. His knowledge and passion for Israel was inspiring. He was a star!"
